DIGITAL:

Square Dance Chess

Square Dance Chess is a modern mix of our **Bartex Oak** and a modern **Black Oak**. Its appearance makes it ideal for furniture applications that require a fresh transition between two decors.

MELAMINE:

New decorative papers

We have interesting new additions in melamine. Our new versatile **Bartex Oak**, the exciting **Crenata** and our rustic **Appenzeller Fichte** are our latest design trends in the decor Composite.
