

May 2022

It's still wild!

Our **Wild West** is rustic and exciting. With its exciting game of contrast and color and in combination with our solid color White, it puts you directly into the wild west. **Discover its rough and lively character as well.**

Treccia

Also in the field of digital printing a lot has happened. Our modern and natural **Treccia** shows its casual and playful side. This decor is very well suited for furniture applications.
