DECOR DRUCK LEIPZIG

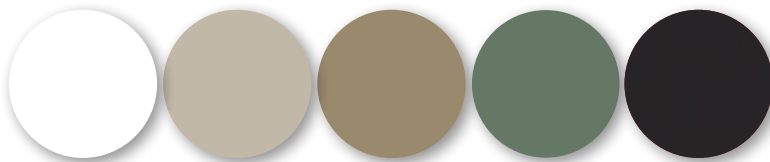

The current year was once again dominated by natural and earthy colors, That's why the Boho and Japandi style are on everyone's lips. We have come up with something great for you, so we would show you our **NEW** designs at our **stand C4 (hall 7)** at SICAM in Pordenone and would like to invite you to join us.

BOHO & BAYSEN OAK

Baysen Oak is the „New Oak“ which really mixes up the BOHO style. It brings vibrancy, freshness and is characterized by its modern and natural style.

JAPANDI & SCANA

Scana is a digital mix and is very trendy in the living room and kitchen area. It brings a timeless design in combination with a rustic Scandinavian touch to the decor.
