still 5 days, then it's that time again - **we'll be at Interzum.**  
Visit us from **09.05. to 12.05.2023** at our exhibition stand in **Hall 6.1 Stand C031** and let us convince you of our new decors.

**We look forward to seeing you!**

## Antik Pinie

Among other things, we have our versatile **Antik Pinie**, in our luggage. With its lively and exciting play of colours, it is a real eye-catcher. In combination with our Uni Graphit, it spreads a modern and stylish touch. However, the decor can also be good combined with many other uni colors.

**See for yourself!**
